Examination Notification for FY & SY Students

Dear Students and Parents,

As per the directives of SNDT Women's University, Semester II and Semester IV examinations for the Academic year 2019-2020 will not be conducted due to the current COVID-19 pandemic and consequent lockdown in our city of Mumbai. Looking at the increasing numbers of infections, we have to take utmost precautions and follow the necessary social distancing rules. Our students' health and safety are of primary concern.

The grades for Semester II and Semester IV examinations would be allotted on the basis of your Attendance, performance and Internal Marks (for tests, assignments, projects) in those semesters. The University will allot marks and grades which will help you to move ahead to Semester III and V respectively. University will declare these results at the end of July 2020. Your admission process for Semesters III/V will start accordingly and be completed by August 2020.

Those students who have ATKT in Semester I and Semester III, their exams will be held tentatively in July 2020. The students will be notified for the same.

These are uncertain times, and as the University updates its Examination policies, we will keep all of you updated.
